Tax Year 2009

Take Our Profit Enhancement Test

James Hamlin & C.,P.C. is one of the larger CPA firms north of Chicago that focus on small and medium size businesses clients. Our staff can take care of the “required items” – payroll, tax reporting, and accounting, but adds real value by helping with your profit goals and long-term plans for the business.

Unlocking the Profit Potential in Your Business

1. Did your business generate the profit you wanted for 2008? Yes No
2. Do you have a profit target for 2009? Yes No
3. Is it broken down by quarter? Yes No
4. Can you identify your most profitable service or product lines? Yes No
5. Is there a special focus in place to sell those items? Yes No
